### From the south by car

Take the Raccordo Autostradale Firenze Siena (the FI-SI) and exit at Poggibonsi Nord. Keep going straight for 5 roundabouts (you should be on the SPI – Strada Provinciale One). When you get to the end of that road, take a left towards Gambassi Terme and then from Gambassi follow signs for Montaione. Once in Montaione you will arrive at a stop sign at the top of a hill where you can only turn left (to go back the same direction you came) or right. Turn right and follow the road around the corner, going straight downhill when you can. You will now pass the shopping area with a PAM supermarket and the town of Le Mura. When you arrive at the very bottom of the hill you cross a small bridge and reach a dead-end. Turn right towards San Miniato.

You are now on the road to Barbiaccia Nuova. At the **white KM 6 sign**, there will be a dirt road on your left, which is the entrance to the farm.

Drive on this dirt road for one kilometer. Reception is located in the first farm buildings that you come across upon entering the gate.
